SPECIAL SELECTED:

Tenuta Giglio Montepulciano d'Abruzzo (red) bottle 17,50
This Italian wine has a pleasant and refreshing acidity, firm tannins and a fruity taste.

La Vuelta chardonnay (white) bottle 16,50
In possession of a lot of fruit and a smell very soft and pure. A nice balance between the soft sours, the fresh fruit and the typical Chardonnay character makes this an extremely pleasant fresh wine from Argentina.

Gérard Bertrand Gris Blanc (Rosé) bottle 16,00
This wine is crafted from two emblematic grape varieties of the South of France, Grenache gris and Grenache noir. Characterised by its pale, almost crystalline colour, Gris Blanc is elegant, fruity and dry.
